### Colour Serums

Do you want your hair colour to last longer? We have the answer! For only \$12 you can complete your colour service by enjoying the benefits of a colour lock serum. Colour lock serums guarantee up to 22 extra washes out of your colour when using the recommended home care along side it. With the added benefit of a built in gloss enhancer and uv filtering system, it will leave your hair with amazing shine.

### GHD Birds of paradise

GHDS are back in stock!! Introducing to you the new "bird of paradise" collection. The latest limited edition stylers come in two decadent exotic colourways with a coordinating heat resistant mat.

### Hot Offer

For only \$44.95 you can take home our professional shampoo, conditioner and styling product to keep your hair looking amazing at home. Our beautiful color and blondes range will be available until stocks last.

### TK Lashes & Brows

Wanting thicker eyebrows or longer eye lashes? We have the solution. TKS eye-brow extender is a temporary eye-brow tint with built in fibers to make your eyebrows appear thicker and fuller. Tks eyebrow extender is easy to apply and comes in a range of tones to suit your complexion. Tk lashes are the same concept but will leave you with longer fuller lashes.

### Apprentice

We would like to welcome you to our new 1st year apprentice. Abbie is very excited to be our newest member of our team and we cant wait to watch her grow into an amazing hairdresser.

### Do you want 1700 new hairs?

Introducing the revolutionary DENSIFIQUE. Densifique is a hair density activator that reveals up to 1700 hairs over a period of 3 months. Densifiques main ingredient is stemoxidine containing vitamins B3, B5 & B6 which allows unprecedented densifying action. Ask your stylist today for more information.
